Dear Harold,

RE Galt alias, I have a query about something I just discovered that really intrigues me.

The real Eric S. Galt's father emigrated to Canada from South Africa. I note on page 119, HSCA MLK Vol 13, that the FBI photographed prints from a letter written by Ray under the Galt alias: "letter from Galt to Southern African Council (Q 334).

Do you know anything about this letter? Do you have a copy of it? Do you know what the Southern African Council is or why Ray would write to it under the Galt name?

Thanks.

Best regards,

DWH
